Yoga mat

Mat Pictures	Available size	mat struture	Specification	Application
 	72"x24"x4mm		<p>1) Anti-Slippery Guaranteed: Slipping around can make your practice ineffective, or even dangerous. Natural rubber and is well known for its non-slip and sticky properties which offer terrific grip, unsurpassed traction, and the best slip-resistance on the market, both when dry and wet.</p> <p>We believe our revolutionary surface material is the grippiest Yoga mat material currently available on market. And it stays grippy even when 'sweaty wet'.</p> <p>2) Environmental Friendly: Our yoga mat is eco-friendly, non-toxic, biodegradable, PVC free, odor-less and recyclable.</p> <p>3) One Mat Fits All: featured by organic rubber and anti-slippery layer design, it provides not only excellent grip to your hands, feet and body, but also grass, deck, porcelain tile, which means, you can use it everywhere.</p> <p>4) The Most Comfortable Size: 72"(183cm) long x 24" (61cm) wide; Thickness: 6mm; Weight: 5.8lb.</p>	home and Gym
<p>PU+rubber, PVC+rubber, cork+rubber</p>				

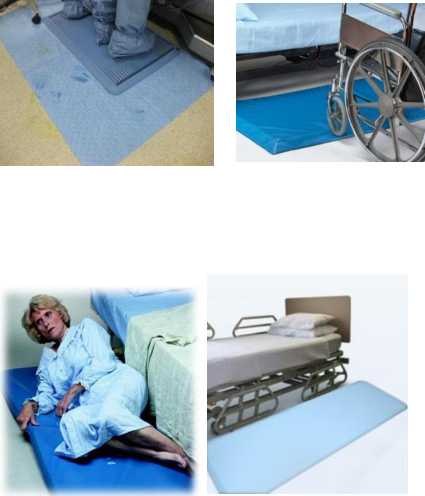

TOPO Office Mat

Mat Pictures	Available size	mat struture	Specification	Application
 <p>The image shows the Topo Office Mat, a black, rectangular mat with a textured, pebbled surface. It is shown in a top-down view and in use on a desk. A person is standing on the mat, and another person is sitting at a desk with the mat under their feet. The text '3D TERRAIN KEEPS YOU MOVING AND ENERGIZED' is visible in the top left corner of the image collage.</p>	<p>24"x36"x3.5cm</p>	<p>100% high-quality polyurethane foam, with a durable integral skin that's pebbled for a sublimely comfortable experience.</p>	<p>Topo mat specifically for standing desk users. The calculated terrain features drive you to move more, which means healthier standing at your standing desk.</p> <p>It's counterintuitive, but just having the raised features on the mat - the calculated terrain - causes your brain to subconsciously engage and move your feet to explore, articulate, and stretch as you stand.</p> <p>Even better - unlike treadmills or balance boards, standing on Topo is not distracting, because the cue to move is subconscious.</p>	<p>office and standing desk</p>

Office Chair Mat

Mat Pictures	Available size	mat struture	Specification	Application
 <p>The image shows the Office Chair Mat, a black, rectangular mat with a textured surface. It is shown in use under an office chair. A person is sitting at a desk with the mat under their feet. The mat is shown in a top-down view and in use on a desk.</p>	<p>24"x36"x1.3cm</p>	<p>PVC leather on the top, NBR foam in the bottom</p>	<ol style="list-style-type: none"> 1) Chair damage can cause costly and irreversible damage to hard floors, which makes a chair mat an essential part of any office environment. Simply place by your desk or table to help protect your floor, whilst allowing easy gliding of your office chair. 2) When you stand working, this mat with soft and high resilience material also reduce strains and pains related to prolonged standing. 3) Strong, durable support for high traffic areas. Easy to clean waterproof material can be vacuumed or wiped with a damp cloth. 	<p>Home and Office</p>

Medical Mat

Mat Pictures	Available size	mat struture	Specification	Application
	<p>24"x70"x1.9cm 20"x36"x1.9cm</p>	 <p>PVC leather on the top, PU foam in the middle, anti slip backing</p>	<p>1) The beveled floor mat reduces the impact of a fall from bed. The fall mat helps reduce the possibility of impact related injuries and provides full-length coverage of the bed exit area. The tapered edge allows for easy equipment access, especially wheelchairs, and lessens the possibility of stumbling on the perimeter.</p> <p>2) Easy to use surgical mats addressing three major Operating Room issues: surgical comfort, fluid buildup and overall safety. Reduce more than 50% fatigue when operating.</p>	<p>hospital, operating room, nursing home</p>
