

# Xiamen Sheep Anti-Fatigue Mat Co., Ltd.

Company Base: Xiamen, China  
Manufacturer Since 2006

 软羊羊®

## Background

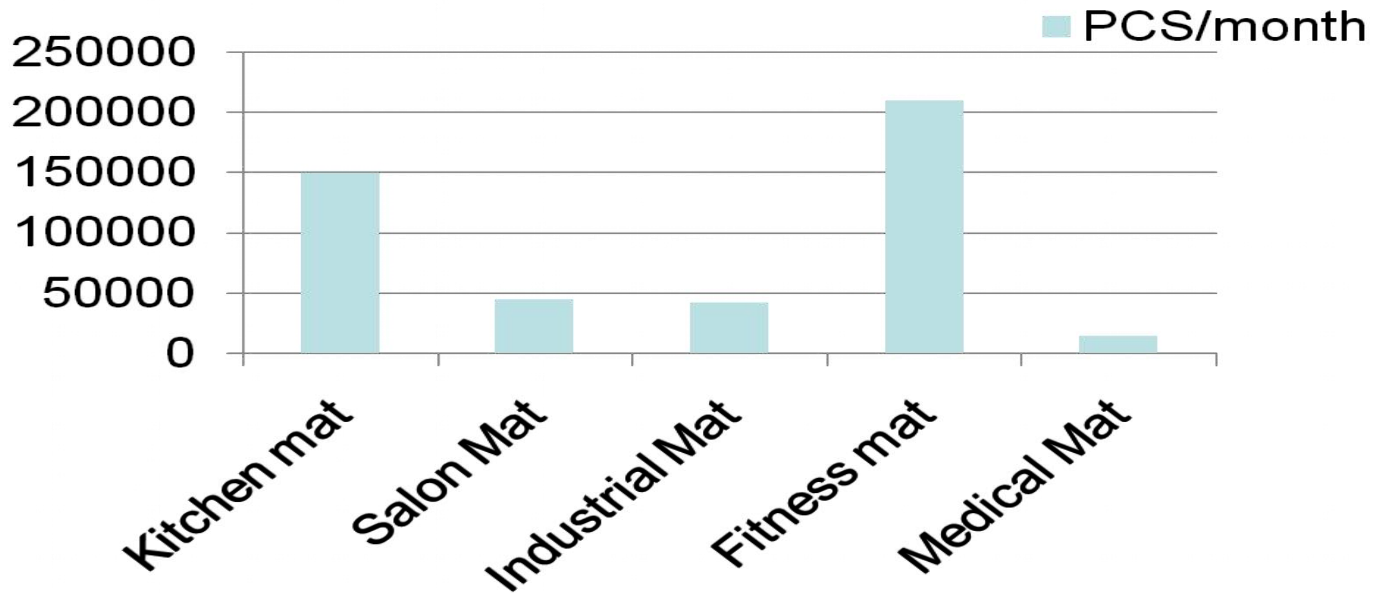

A privately owned, manufacturing company, grown from a partnership established in 2006.

Design and manufacture flooring solutions for home kitchens, office standing workstations, beauty salons, laboratories, pharmacy areas, classrooms, hotel counters and retail counters applications and environments, including kitchen mats, standing desk mats, salon mats, medical mats, industrial mats and fitness equipment mats.

Strive to provide the highest quality floor mats together with the very best service and value. We also have a long established reputation as a company of great integrity. We stand behind our word and our products, and in the event of a problem we will do whatever is necessary to resolve it to our customer's satisfaction.

## Office Standing Desk Mats

### Features

- Design - This non-flat design makes you subconsciously take on different stances
- Comfort - The mat is ergonomically engineered, which relieves pressure on your knees, feet and joints
- Safety - Made with premium non-toxic materials. Textured surface and beveled edges prevent slipping and tripping
- Easy care - Durable, stain resistant and permanently elastic

### Specifications

Size: 800x620 mm  
760x760 mm  
508x991 mm  
Thickness: 60 mm  
Material: 100% PU  
Back: SBR anti-slip backing  
Colors: Black, customizable  
Certification: TUV, SGS, ISO,  
RoHS, REACH

### Standing Desk Mat(Non-flat)

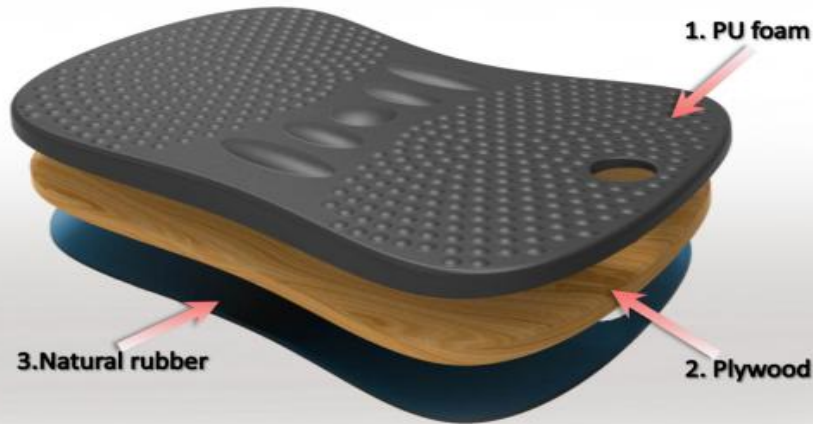

Your standing desk needs this non-flat anti-fatigue mat. With this mat, you will sit less and stand comfortably because it inspires you to take on different stances. Cushioned terrain drives subconscious movement, unlike distracting treadmills and balance boards, ease your job and make you focus on your work.

## Standing Desk Balance Board

### Balance board

A perfect combination of the anti-fatigue and sports!

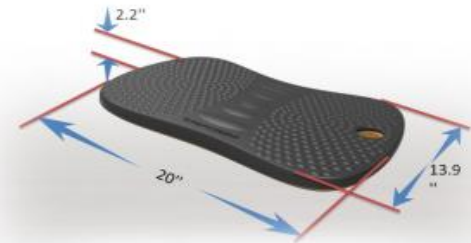

#### FEATURES

#### Features

- Simple, low-impact movement that improves joint mobility;
- Engages the stabilizing muscles of the back, core, hips and legs;
- Improves posture and balance while increasing standing stamina;
- Increases focus, attention and overall productivity at work;
- Strong and sturdy, supporting up to 625 lbs
- Easy to clean, non-slip surface

#### Specifications

- Size: 20"x13.9"
- Thickness: 2.2"
- Material: PU foam+Plywood+ Natural rubber
- Certification: TUV, SGS, ISO, RoHS, REACH

3'x5'x7/8" - 3'x5'x1/2"  
4'x5'x7/8" - 4'x4.5'x7/8"

Material: PVC + PU foam  
Back: Anti-slip backing  
Colors: Customizable  
Certification: TUV, SGS, ISO, RoHS, REACH

## Industrial Floor Mat

Our industrial floor mats show that less injuries occur and workers are more productive. Anti-fatigue comfort mats are essential where workers stand to help ease leg, foot, and lower back fatigue and pain. Use our industrial floor mats in any commercial, industrial, retail or laboratory environment.

### Features

- Design - Functional design with diamond pattern vinyl surface
- Comfort - Compound structure effectively reduces stress on legs and alleviate fatigue
- Safety - Yellow colored safety borders, slip resistant black surface
- Easy care - durable and stain resistant, permanently elastic and anti acid base solvent

### Specifications

- Size: Customizable
- Thickness: 9 mm, 12 mm
- Material: Diamond pattern PVC + PVC foam
- Back: Anti-slip backing
- Colors: Black, black + yellow  
Grey, grey + yellow
- Certification: TUV, SGS, ISO, RoHS, REACH

Comfortable standing everyday

## Fitness Equipment Mat

### PVC Foam Mat

Size: 890x1450x4mm & 600x1500x4mm

1000x2000x6mm & customized sizes
